OUR STORY

The Original Shuckers opened its doors in Carrollton way back in 1998. In 2015, Richard, Natasha and Karen (an Original Shuckers Pioneer) came up with the idea to bring Shuckers back. A reinvented Shuckers concept was born. Under new management and new ownership, Shuckers remains true to its identity while offering new, and delicious menu items in a super casual atmosphere with a come-as-you-are Vibe! We look forward to providing an unparalleled Seafood Experience to the wonderful people of Carroll County for years to come. We at Shuckers understand that without our customers we are just another pretty face. Let Shuckers be your Beach away from the Beach.
